#### Information for Mum's & Dad's

*At 'Sails' we aim to provide kids with healthier choices whilst still making food fun to eat.*

*To do this we research our food to ensure that it has minimal preservatives.*

*(In most cases it doesn't have any)*

*We do our best to cater for all children; however, we strongly recommend that you advise us of any allergy/intolerance your child may have so that we can notify our kitchen staff prior to them preparing their meal.*
